Pledge of Allegiance -

The purpose of tonight's meeting was to discuss the potential for Local Law #1-2015 regarding the town of Wolcott's sewer connection law and any other business that might come before the board.

SEWER CONNECTION LAW -

Supervisor Park asked if the rest of the board had any comments, suggestions or critiques from what they have read in the draft local law. Discussion ensued with no one really having any negative comments. Kim asked Code Enforcement Officer, Don Camp, if he was okay with it in general. Don responded that he didn't have a problem with this law being enforced, but he did not have the time to be the one to do the enforcing. The board agreed they would need to hire someone to do this.

After more discussion, Kim said if they were in agreement, she would get the ball rolling to get this into local law.
